

'Activities for Mayfield's Young Folk'

A Note from Natasha

We Need You!

I have been asked by Mayfield Parish Council if I can co-ordinate with Mayfield's resident young people of secondary school age, some activities to be held during the autumn half term 2022. The aim of the project is for the programme of activities to be chosen by the young people and made to happen with support from myself and other volunteers.

Some of you may already know me as I lived in the village for over 14 years; many of you may remember me as the 'Yellow Van Lady!'. I have

a background in Youth Work with Derbyshire County Council for over 16 years as a Youth Development Worker. I am passionate about making a difference for the next generation and am delighted to be given this opportunity to put back into the community.

As I have already mentioned this is to be led by young people! I may think that I know what they would like to do but it would be very wrong of me to assume this. So, I would like to invite young people and parents (if they wish!) to come on board with me to make this project happen. There would be a couple of meetings between now and then when we can all come together to brainstorm ideas and suggestions, consult with as many folk as possible and then to narrow down the most popular choices and make them happen! This is also an opportunity for young people to develop some skills such as budgeting, marketing, being part of a meeting, minute taking, contributing to their community and above all to HAVE FUN!

We are living through and have been for the past couple of years some very challenging times. It is so important to have some things to look forwards to.

Let's make this awesome!

If you are interested and/or know others who would like to get involved, please email the Parish Council Clerk leaving your name and contact details so I can then organise and invite you to the very first meeting. Soft drinks and biscuits will be provided.

I look forward to seeing you all soon.
